Denise Ryan helps light the fires of enthusiasm so people can do great things.

She speaks to over a hundred groups a year, ranging from SAS and IBM to the Department of Homeland Security. Her topics vary from “Dealing with Change without Going Up in Flames” to “How to Get Along with Everyone Who Isn’t You.”

She is an author, MBA and a CSP (Certified Speaking Professional), a designation of excellence that is held by less than 10% of professional speakers. She recently made Meeting & Convention Magazine’s list of planners’ favorite speakers alongside Bill Clinton, Condoleezza Rice, and Anderson Cooper.

Here’s a recent review from one of her audience members: “Your presentation was excellent, it was motivating, uplifting and downright entertaining and, let me not forget, funny as all get out.”
